

free homebuyer education

your road home

a little knowledge can go a long way

At CHFA, we want you to succeed at homeownership, so we offer free homebuyer education, in-person and online, across the state.

first time homebuyer education

This in-person or online class will better prepare you for any situation you might encounter while buying and owning a home.

The class covers:

- an overview of the homebuying process,
- money management skills,
- establishing and maintaining good credit, and
- financial ins and outs of loan programs.

money management course

This online class was developed for those refinancing but is beneficial to anyone who wants to manage their income more effectively.

It will teach you:

- money management skills,
- principles of establishing and maintaining good credit, and
- financial ins and outs of loan programs.

where can you take the classes?

We have homebuyer education providers around the state, so if you do want the in-person setting, you won't have to travel far to get it. For agency contact information and dates, please visit our website at www.chfainfo.com/homebuyer. Online courses through CHFA U are available 24 hours a day, seven days a week on our website.
